

# DivorceSync™

*"The educational game of divorce strategy."*

*Client Edition*

*Attorney's Edition*

**What's the best strategy for divorce?** Is it better to Attack, Negotiate, Cooperate, Do Nothing or Give In?

**This board game helps** people going through divorce learn to make good decisions.

**Basic questions examined in this simulation are:** Property, parenting and other special issues.

**The game is played** by a client with their attorney or by divorcing spouses preparing for mediation, negotiation or collaboration.

**DivorceSync™ is based on** the game theory that earned Professor John Nash a Nobel prize. His life and work provided the story for the Oscar winning movie, "A Beautiful Mind."

**Available in Client or Attorney Edition:**

**Attorney Edition** has the name and picture of the attorney on the game box and instructional material.
